Aggression Extreme 10.10

The most enduring rental gear you will ever need in your rental fleet. This group is based on our long standing commitment to the rental business.

We have consistency of fabric, factory, sizing, which makes this collection a no brainer. We are consistently making advancements on styling to ensure you get the longevity of the garments & consumer satisfaction. With over 20 years experience in the rental business why would you compromise your reputation with inexperienced suppliers.

Super Soft Thermal Insulation

A hollow fiber fill for down-like softness and lightweight warmth, without losing dexterity. Absorbs less than 1% of its weight in water. Quick drying and remains warm even when wet. The unique microfibres of Supersoft insulation trap more air and reflect back your body's radiant heat. Versatile conductive insulation.
